## Gazetteer of Sites in LBR 2010

The following gazetteer lists open spaces mentioned in the 2010 *London Bird Report*, but no longer lists the names of towns, villages, etc mentioned. The complete online Site Gazetteer lists all these. Neither Gazetteer lists streets; you should be able to locate these easily with a street map, but contact us if you have difficulty (details below). Each site name is followed by the vice-county and an OS Grid Reference. This should help you to find the site on a map. The Grid Reference either refers to the centre of the site, or to a point of particular ornithological interest. Not all of these sites are open to the public; some are private, for some you need to have a permit. Contact the Chair of the Editorial Board if you need information on any site.
