2015

MINI-GAZETTEER OF SITES

LNHS Area map with locations of some well-known bird-watching sites. Boundary sites give an indication of the extent of the LNHS Area. A grey background shows a built-up area. (Contains Ordnance Survey data ©Crown copyright and database rights 2012)

MINI-GAZETTEER OF SITES

<http://www.lnhs.org.uk> > About Us> LNHS Sections> London Bird Club. 'Bird Recording'

This lists the main sites in the London Area as well as all the sites added to the Full Gazetteer this year (the latter printed in *italic* type). Notes about sites are in **blue** type; cross-references from older names are in **red** type. A key to abbreviations is on page 30.

If a site is not entirely within one of our recording areas, then it is usually taken to be in the recording area that contains the larger area of the site. The most notable of these are: all of the Lea Valley reservoirs, Crystal Palace Park, Holyfield Lake, South Norwood Country Park, Stocker's Lake, Victoria Park and Wraybury Res.
