Gift Aid

The Gift Aid scheme allows the Society to recover tax in respect of your subscriptions or donations at no cost to yourself as long as you pay income tax or capital gains tax at least equal to the tax the Society and any other charities or community amateur sports clubs you donate to reclaim (25p for each £1 which you pay). The donor is responsible for any shortfall. Council Tax and VAT do not count. If you have not signed a declaration before please consider doing so. Please notify the Society if you have signed previously and no longer pay sufficient tax or if your name or address changes. You can cancel the declaration at any time by notifying the Society. This can be done on the new system or by contacting Robin Blades.

Gift Aid Declaration – Please read the explanation overleaf

I would like any subscription payment or donation I have made since 6 April 2026 to the London Natural History Society and all payments I make from the date of this declaration until further notice to be under the Gift Aid scheme. I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in any tax year it is my responsibility to pay the difference.
