It's AGM season and the LNHS Section and Society AGMs are now all open for bookings. Each AGM will include a Virtual Natural History Talk from aguest speaker and all of these events are free to attend. We also welcome non-members to these events, though please note that non-members are not able to vote on Society business items.

04/11/20 **Hampstead Heath Survey Section AGM + The Changing Vegetation of Hampstead Heath** Jeff Duckett, LNHS

04/11/20 19:00 **The Changing Vegetation of Hampstead Heath** Jeff Duckett, LNHS

Based on over 50 years first hand experience, this presentation will examine the changing green face of Hampstead Heath both seasonal and longer term. In particular the talk will explore the impacts of global warming and changes in air quality since the Clean Air Acts and will also look to the future. How best can we preserve and enhance the value of one of London’s most priceless assets.

London Bird Club Section AGM

10/11/20 18:30 **London Bird Club Section AGM**

10/11/20 19:00 **Hawfinches & Goshawks in Sussex** Mark Mallalieu

Phoca PDF

Remember the Hawfinch invasion of 2017/18? With other birdwatchers, Mark took the opportunity to learn as much as possible about these elusive birds, then used this knowledge to discover whether Hawfinches are actually more widespread in Sussex than the scant earlier records suggested. His talk will cover the findings of this fieldwork so far. He will also describe the return of the magnificent Goshawk to the county, with advice on how and when to see this apex avian predator.

Botany Section AGM

12/11/20 18:30 **Botany Section AGM**

12/11/20 19:00 **The Ancient Woods of North London, their natural history and management** David Bevan, LNHS

David Bevan provides an illuminating path through the history of North London's ancient woods and some of the wonders that can be found within them.

Ecology & Entomology Section AGM

02/12/20 18:30 **Ecology & Entomology Section AGM**

02/12/20 19:00 **Slimy, Sticky & Unloved: Slugs in London** Imogen Cavadino, Royal Horticultural Society

Slugs are not a popular group with many people, especially those who are keen gardeners. However, they have fascinating life histories, behaviours and not all consume live plants. In this talk we'll explore the fauna of slugs within Britain and around London.

London Natural History Society AGM

10/12/20 18:30 **London Natural History Society AGM**

10/12/20 19:30 **Bees in the City** Tony Madgwick, LNHS

Tony Madgwick's talk will look at some of the solitary bees commonly seen in our city environment before introducing the “Bees in the City” project which aims to engage a wide and diverse community in the exploration of factors that may impact on wild bee populations in and around London.
